

Request for Specific Variance	
Explanation of Variance	A Variance is written permission issued to build, install, process, or otherwise act in a manner not consistent with the provision of an applicable code but which provides, in the opinion of the issuing Administrator or Safety Codes Officer, an equivalent or greater level of safety to persons and property. A Variance issued by a Safety Codes Officer is specific. A Variance sets no precedent.
Date of request	<u>February 27, 2001</u>
Name and address of owner and/or owner's agent requesting variance	<u>Mr. John Doe, President</u> <u>ABC Construction</u> <u>0000 Main Street</u> <u>Amptown, Alberta</u> <u>T6X 2P2</u> Postal Code
Code or Standard to be varied	<u>Identify the Code, Standard, or Regulation including section as applicable, to be varied</u>
Details of proposed variance	<u>Provide in detail, what is proposed to be done as an alternative to the code, standard or regulation requirement</u>
Reason for variance	<u>Provide rationale as to why the Code, Standard, or Regulation does not or should not apply.</u>
Supporting documentation must be provided (proof of equal or better safety performance – list attachments)	<u>Provide a list or description of the supporting information</u>
Address and/or legal description of the property upon which the thing, process or activity which is the subject-matter of the variance is located	<u>ABC Society</u> <u>000 Centre Street</u> <u>Amptown, Alberta</u> <u>T6X 2P2</u> <u>Lot 0, Block 0, Plan TR9999</u> lot / block / plan
Authority under which a Variance may be issued	<u>Identify the authority under which the variance may be issued (Safety Codes Act, Chapter S-1), Code or Regulation including section.</u>
Declaration of understanding	By signing below, the owner or owner's agent expressly acknowledges that the owner is aware of and agrees with this request for variance, which is intended to provide an alternative to the strict provisions of the Code / standard / regulation, and that it is the responsibility of the owner to provide and maintain safety in accordance with the variance.
Advisement of Offence	Non-compliance with the requirements of a Variance is an offence under the Safety Codes Act.
Identification of owner or owner's agent	<u>Signature of owner or owner's agent</u> <u>John Doe</u> <u>Owner's agent</u>
